11 BOATS AND COMPETITORS IN DIFFICULTY

When the race committee considers that a boat or competitor is in difficulty it may instruct the boat or competitor to accept outside help, retire or sail ashore. Competitors shall obey such instructions from boats acting as patrol boats.

12 RISK STATEMENT

12.1 Rule 3 of the Racing Rules of Sailing states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone."

12.2 Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, competitors agree and acknowledge that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves and their boat to such inherent risk whilst taking part in the event;
- (b) They are responsible for the safety of themselves, their boat and their other property whether afloat or ashore;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organizer does not relieve competitors of their responsibilities;
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

13 INSURANCE

Each participating boat must have third-party liability insurance with a minimum cover of £2 million per claim.

14 Conflict Between Notice of Race and Sailing Instructions

If there is a conflict between NOR and SI's (and any amendments), the SI's will prevail.
